HEADQUARTERS US ARMY ARMOR SCHOOL OFFICE OF THE COMMANDANT Fort Knox, Kentucky

read 9-28-38

Dear Mr. Dulles:

The US Army Armor School each year conducts a guest speaker program designed to enhance the regular programs of instruction and provide a means of broadening the officer's background in matters allied to the Army and in national and international affairs. Recognized leaders in various fields are sought for participation in the program.

In furtherance of these objectives, I wish to invite you, or a representative whom you may designate, to address the Armor Officer Advanced Class and other members of the US Army Armor School and Center, on the subject, "The Nature and Significance of Strategic Intelligence".

A tentative schedule for the guest speaker program has been prepared and our preferred date for this presentation is 8 January 1959. These presentations are normally scheduled for two 50-minute periods from 0940 to 1130 hours. The first hour is devoted to the presentation and the second hour reserved for questions from the audience. The period could be conducted on a classified, not to exceed SECRET, or unclassified basis according to your desires or as your material permits.

Sufficient funds will be made available to you, or your representative, upon arrival to defray expenses incidental to the required travel.

It is my hope that you can find time in a very busy schedule to accept this invitation as such a talk would arouse the interest and enthusiasm of the officers in Strategic Intelligence and would certainly add materially to their military education.

PAUL A. DISNEY

Major General, US

Commandant

Mr. Allen W. Dulles, Director Central Intelligence Agency 2430 "E" Street Washington 25, D. C.
